## Edgar Calls Eddy “Solid Fiscal Conservative”

**Charleston** – Governor Jim Edgar recently endorsed State Rep. Roger Eddy in the race for 110th District State Representative. Edgar said, “Roger Eddy is a strong voice for downstate Illinois. He consistently stands up for our shared Republican values. Roger offers a solid, fiscally conservative approach to state finances.”

Edgar continued, “Roger Eddy opposed the borrowing and spending sprees that put Illinois deep into debt. We need the common sense approach Roger Eddy brings to protecting taxpayers at the state capitol.”
