## **“SAVE ILLINOIS TAXPAYERS” PLEDGE**

I agree to put taxpayers first and join the fight to **Save Illinois Taxpayers**.

Property taxes are out of control. We must stop the waste, fraud and abuse of our tax dollars. Raising taxes was not the answer. Accountable, transparent, smaller and smarter government is the answer.

### **I SUPPORT THE FREEZE, AUDIT, & REPEAL AGENDA.**

I \_\_\_\_\_ pledge to fight for, vote for and support in every way possible the following agenda to **Save Illinois Taxpayers**:

- 1) **Freeze property taxes for three years, followed by inflation indexed hard caps with no loopholes.**
- 2) **Enact “Adversarial Audits” to hunt down and stop wasteful spending, end corrupt practices and eliminate mismanagement of taxpayer dollars.**
- 3) **Repeal the 67% state income tax increase passed last year.**
